TOWN OF BENSON
Roof System Replacement on 24,000 sf Building
December 28, 2017

The Town of Benson is seeking bids for replacement of metal roof and gutter systems on approximately 24,000 sf building.

This project requires attendance to mandatory pre-bid conference on January 10, 2018 at 1:00PM. Meeting will be held on-site to allow prospective bidders to view the building.

DESCRIPTION

This contract is for the replacement of existing metal roof and gutter systems on building located at 775 N. Market Street, Benson, NC.

Contract will be awarded upon approval by Board of Commissioners on February 14, 2018.

DATE OF AVAILABILITY

Date of availability for this contract is **February 19, 2018**

The completion date for this contract is **March 23, 2018**

Liquidated Damages will be assessed at value of **\$100 per calendar day.**

WORK TIMES

Unless otherwise approved by the Public Works Director, no work shall be performed on Saturdays, Sundays, and Legal State Holidays. Work shall be performed only during daylight hours.

PROJECT SPECIAL PROVISIONS

The Contractor shall furnish all materials, equipment, labor, and incidentals required to perform work. Roof material must be commercial quality with baked-on enamel coating. Seamless gutters and downspouts must be same size as existing system. Sample of roof and gutter materials, along with color options must be provided prior to bid opening. Samples will be returned upon request. All workmanship must be performed in accordance with material manufacturer's recommendation. Work must be performed in a continuous manner until completion.

Proof of Insurance for General Liability and Workers Compensation must be provided prior to beginning work.

QUESTIONS

Questions regarding this proposal shall be directed to Tim Robbins at (919)427-9053 or via email at trobbins@townofbenison.com
